The "Story" So Far

AS.G – Group Structure

AS.G Management Organisation and Modus Operandi

Key:

Constant liaison and consultation on all key issues.

Flow of information, command, sales/marketing efforts, operational excellence.

Key Principles of AA's vision of a 21st Century Group are adopted;

- AA is leading/"driving" the Group to achieve vision. SW controls operational success.
- MDs are FULLY accountable for their company's performance, operations and CASH!
- Operations keenly monitored by Office of MD, in collaboration with MDs and Office of CEO – maintained by a collaborative style and constant liaison.
- Finances tightly controlled, by MDs & Finance Function.
- Transparent Decisions on Key issues, and quarterly gatherings to maintain strategy & focus.
